**The Rogue Valley Windchasers is a non-profit organization dedicated to the wonderful world of kite flying and kite making. This club was organized in April, 1998, had its first meeting in May, 1998 and the Articles of Incorporation and By-Laws were adopted June, 1998. It is affiliated with the state Associated Oregon Kites (AOK) and the international American Kite flyers association (AKA). This club has been active for seventeen years with approximately 100 members of all ages.**

**The club meets the first Thursday of each month in various places in Grants Pass. Check our web site for meeting location. The meetings begin at 6:00 p.m. and you are encouraged to come early and place your dinner order. These meetings are structured but very informal and it is not uncommon for members to erupt in hilarious laughter during discussions. The meetings are fun, informative and various programs are presented to the membership. Each member is kept informed as to what is going on locally, statewide and internationally. There is also a "fun-fly" held the first weekend of each month at South Beach in Crescent City, CA. (Anchor Harbor Way & Hwy. 101). These "fun-fly's" are Saturday and Sunday and anyone who would like to fly a kite is welcome to join the fun! The kite flyers range from novice to expert and there is always help available. We also have a web site [www.windchasers.org](http://www.windchasers.org)**

**If you are interested in joining this club, please use our web site contact form or simply attend a meeting or fun fly. Anyone interested in kite flying for fun, sport, competition or relaxation is welcome!**
