Welcome!

Welcome to the first issue of our new monthly e-newsletter. I hope you enjoy this new way to keep you informed of exciting news in the kiting world as well as within our club. Our regular e-newsletter is an easy way to keep you up to date with any new developments and events taking place in the world of kiting. With future contributions from other people in the kiting field and within our club, our newsletter will contain insightful articles and keep you informed of all of our club's upcoming events and activities as well as other kiting events in the nearby vicinities so you never miss out.

A BIG Thank You!!

To Jeanie and Archie Clay - For all the time that they have put into the club and kids kitemaking. They have decided to continue with other activities outside of the club. We appreciate all they have done and we look forward to seeing them at kiting events in the future.

Nominations for new board members are open until April 15. Elections will take place on May 3 and new officers will take office June 7. Two extended board member positions need to be filled as Michael Pitts-Campbell and Herb Lumpkin will have completed their term this year.

Topics of Discussion:

1. Kids kites at Longsword Winery
2. Website renewal
3. Saturday Parkways event, 2018
4. Nominations and elections

Longsword Winery:

At the February meeting, due to the safety concerns at Longsword regarding kids kites, it was decided by the club to not provide kids kites at this event. Tracy contacted Kate at Longsword and an acceptable arrangement has been reached. Kids will be provided a designated area in which to fly and parents will be instructed that they must remain with their kids. Tracy informed Kate that she felt this would be acceptable and that she would discuss this once again with the club.

All members present voted in favor of providing kids kites at Longsword's May 12 event. The club will be flying on Saturday on as Sunday is Mother's Day. Update: Tracy emailed Kate regarding the decision of the club and she is looking forward to seeing us there.

Website renewal:

All members present voted in favor of renewing the website.

Saturday Parkways event, 2018:

Tracy was contacted by Alison at Grants Pass Parks and Recreation regarding the club providing kids kites as well as "flying lessons" at their Saturday Parkways event on September 22. All members present voted in favor of participating at this event.
